

## PEDIATRICIANS

Please select a pediatrician prior to delivery and confirm that your health insurance is accepted at their office. After you deliver, Scripps Hospital will notify your pediatrician and a pediatrician from that practice will see your baby each morning at the hospital on morning rounds. If you have chosen a pediatrician who does not come to Scripps, an on-call doctor will see your baby. Please note that not all pediatricians will perform circumcisions. If you have chosen a pediatrician who does not perform circumcisions, and you want to have one, you may call Dr. Stuart Rubenstein and make arrangements for the procedure.
